Event Information

Have you ever heard of a product or company but didn't know how to find out more information about it?

Ever go to an event and want more information about a product only to have several people waiting for the same information and never get the chance to speak with the consultant yourself?

Ever want to check out a product without the pressure of buying or hosting?

If you answered yes to any of these questions come check out our event. We have several vendors ready to set up and answer any questions you have.

We will have 6-8 different types of vendors each night and they will do 10-15 minute presentations about their company and products so everyone will get the chance to learn something about what interests them.

Grab some friends and head to the Fairgrounds for a Ladies Night Out.

Pre-registration is recommended for the event. Please call 724-852-5323 to sign up for the date of your choice.

This event is free to the public and will include refreshments.
